HOW TO CALCULATE APPLICANT SCORE

- ❖ **APPLICANT SCORE (AS)** replaces **ADMISSION POINT SCORE (APS)**;
- ❖ **Percentages** and not levels (1-8) are used to calculate the Applicant Score;
- ❖ **Life Orientation is not included** in the calculation of the Applicant Score;
- ❖ Applicants must meet **direct entry requirements** (AS + subjects and % required);
- ❖ In addition, for those **applicants from quintile 1,2 or 3 schools** who attain 50% or higher for Life Orientation, **7 points may be added** to their score out of 600 to arrive at their final AS.
- ❖ **Testing** as an alternative admission route is no longer offered.
